Fun Facts!

Do your own research and write your findings here!

CHINA

Use your book or other sources to research China's history.
Write about 6 events and put them in order on the timeline below.

A vertical timeline diagram consisting of a central vertical line with an upward-pointing arrowhead at the top and a downward-pointing arrowhead at the bottom. Six rounded rectangular boxes are arranged symmetrically around the central line, with three on each side. The boxes are intended for students to write historical events in chronological order.

1. Label the following on the map above:

- Beijing
- Yellow River
- Yangtze River

2. Draw the Great Wall of China. Use your book to find the location
